Product data sheet

"Crossroads of the world" is what New Yorkers call the famous TIMES SQUARE, after which this expressive print design on velour is named. Bright light reflections sparkle on the contrasting dark background, reminiscent of the countless neon signs that line the busy square where locals and tourists gather together to celebrate one of the biggest New Year's Eve celebrations in the world.

Our TIMES SQUARE design is a decorative upholstery fabric for the home as well as for public areas such as restaurants, theaters and hotel interiors.
