

ZIMMER+ROHDE

Product data sheet

A significant emblem in East Asian iconography, 'Panthera' reinterprets stylised motifs of tiger and leopard pelts through large-scale, heavily textured, hand-guided embroidery on linen. Tigers symbolise protection and good luck, whilst leopards are considered a symbol of strength and power. Unique and dramatic yet convivial, through its contemporary interpretation 'Panthera' adds a splash of drama that is still rooted in tradition.
